**Defense Federal Acquisition Regulation Supplement: New**

**Designated Country—Croatia (DFARS Case 2013-D031)**

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD is issuing a final rule to amend the Defense Federal Acquisition Regulation Supplement (DFARS) to add Croatia as a new designated country under the World Trade Organization Government Procurement Agreement (WTO GPA). Croatia joined the European Union, which is a party to the WTO GPA, on July 1, 2013.

**DATES:** *Effective* [Insert date of publication in the **FEDERAL REGISTER**].

**FOR FURTHER INFORMATION CONTACT:** Ms. Annette Gray, Defense Acquisition Regulations System, OUSD(AT&L)DPAP/DARS, Room 3B855, 3060 Defense Pentagon, Washington, DC 20301-3060. Telephone 571-372-6093; facsimile 571-372-6101.

**SUPPLEMENTARY INFORMATION:**

## **I. Background**

The European Union is a party to the WTO GPA and has assumed rights and obligations under the WTO GPA on behalf of its member states. On July 1, 2013, Croatia became a member of the European Union. Therefore, the European Union has committed to assume rights and obligations on behalf of Croatia under the WTO GPA. On June 27, 2012, the WTO Committee on Government Procurement accepted the European Union notification indicating Croatia's coverage. The United States, which is also a party to the WTO GPA, has agreed to waive discriminatory purchasing requirements for eligible products and suppliers of Croatia (78 FR 60368).

Therefore, this rule adds Croatia to the list of World Trade Organization Government Procurement Agreement countries wherever it appears in the DFARS, as part of the definition of "designated country."

## **II. Publication of this final rule for public comment is not required by statute**

"Publication of proposed regulations", 41 U.S.C. 1707, is the statute which applies to the publication of the Federal Acquisition Regulation. Paragraph (a)(1) of the statute requires that a procurement policy, regulation, procedure or form (including an amendment or modification thereof) must be published for public comment if it relates to the expenditure of

appropriated funds, and has either a significant effect beyond the internal operating procedures of the agency issuing the policy, regulation, procedure or form, or has a significant cost or administrative impact on contractors or offerors. This final rule is not required to be published for public comment, because it is just updating the lists of designated countries in order to reflect the fact that Croatia is now a member of the European Union.

### **III. Executive Orders 12866 and 13563**

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

### **IV. Regulatory Flexibility Act**

The Regulatory Flexibility Act does not apply to this rule because this final rule does not constitute a significant DFARS revision within the meaning of FAR 1.501-1, and 41 U.S.C. 1707 does not require publication for public comment.

#### **V. Paperwork Reduction Act**

The Paperwork Reduction Act does apply, because the rule affects the response of an offeror that is offering a product of Croatia to the information collection requirements in the provisions at DFARS 252.225-7020, due to the changed definition of "designated country" at DFARS 252.225-7021. The offeror no longer needs to list a product from Croatia under "other end products," because Croatia is now a designated country. This information collection requirement is currently approved under OMB clearances 0704-0229. The impact, however, is negligible.
